

Town of Hinsdale, NH
Water & Sewer Department
Application To Connect To The Municipal Water System

Date _____
Name of Applicant _____
Address of Applicant _____
Telephone of Applicant _____
Address of Proposed Connection _____
Type of Use Proposed (circle one) Residential, Commercial, Industrial, Agricultural

Conditions

1. Applicant will be charged for all labor and material associated with installation of the water connection at the following rates:

- Construction Cost: Labor - Hourly rate + 50%
- Backhoe - \$45.00 Per Hr.
- Materials - Cost + 15%
- Connection Fee: Residential - \$1,500.00 plus construction cost
- Commercial, Industrial - \$2,500.00 plus construction cost

2. A water meter must be installed according to Hinsdale Water Meter Regulations. The meter will be installed at the expense of the applicant. In the case of a structure in which a meter may not be installed (i.e. no basement) an approved water meter pit must be installed at the expense of the applicant.
3. Prior to the water being turned on at a use, all requirements of the Town of Hinsdale must be met. (i.e. septic approval, permit to move, drive way permit, etc.) Construction cost and connection fee must be paid.
4. Approval by the Selectmen of a water connection is valid for one year from the date of the approval. Prior to approval you must have an approved building permit.
5. Each application is considered on its own merit. The Selectmen reserve the right to deny any application for use that they determine will jeopardize the safety or health of current municipal water users, or will create unsafe demand on the municipal water system.
6. With this application, Please attach sketch or copy of map of the house or building to be connected to the town water system. Show where water service line will be laid, sewer lines or septic system etc.
7. Refer to Water Department Regulations # 19, 20 and 21 for proper service line and material.

I have read and fully understand the conditions stated above. I hereby agree to abide by the above conditions as well as all regulations of the Hinsdale Water Department.
