Water Meter Replacement Project

Introduction:

The Town of Hinsdale, NH has applied for funds through the State of New Hampshire Department of Environmental Services Drinking Water State Revolving Loan Fund (DWSRF) in accordance with Chapter ENV-DW 1100. This document addresses the requirements of ENV-DW1107; the Environmental Review.

DETAILS of PROJECT

The proposed project will involve the purchase and installation of 500 Neptune R900I Radio Transmitter Registers. This project does not involve any excavation, as the meters to be replaced are located in existing pits or basements.

The estimated cost of the overall project is \$80,000. The Hinsdale Water Department has applied to borrow up to this amount to finance the project.

PUBLIC REVIEW

The Board of Selectmen voted to authorize funding in the amount of \$80,000 for this project on March 12, 2016. A public notice will be published by the Town of Hinsdale and a 30-day comment time period will be held in accordance with the DWSRF rules.
