6:06 p.m. Call to Order

Chairman Nadeau stated he called the meeting in order to review some confusion regarding the SAU budget prior to Town Meeting.

The Committee reviewed the minutes of the meeting of 4/9/21 regarding the Budget Grant & Revenues with members of the SAU.

Some confusion was in regards to a trail of emails received by the Committee.

The Grants and Revenues were reviewed with the committee by Tom O'Connor. O'Connor gave a synopsis on how the tax rate is set. It is based on Appropriations and Revenues and variables. Usually the tax rate is not set until mid to end of October.

6:42 p.m. Howe made **a motion to adjourn**, second by Blake. Motion passes unanimously.

Respectfully Submitted,

Jill Collins  
Town Administrator
