OVER

Permission to construct a driveway adjoining \_\_\_\_\_ Street pursuant to the location and specifications as described below is hereby granted. Failure to adhere to the standards and specifications indicated on this application/permit and failure to complete the construction of the driveway within one calendar year of the approval date shall render this application/permit null and void. Facilities constructed in violation of these conditions shall be corrected immediately upon notification to the applicant by a representative of the Town, or the costs of remedying the non-compliance shall be fully borne by the applicant per RSA 236:14.

\*\*\*\*\*

CONDITIONS OF APPROVAL

The grade of the driveway shall not exceed \_\_\_\_\_ percent and the driveway shall be constructed in such a manner as to protect and promote highway drainage and permit a safe and controlled approach to the highway in all seasons of the year.

The location shall be selected to most adequately protect the safety of the traveling public.

All season safe sight travel must exceed \_\_\_\_\_ feet in all directions.
