**Discussion:**

- Seasonal Sports Update: Basketball: Not likely to take place this season d/t COVID restrictions. Brett and Sarah had reviewed several possible solutions, however this is ultimately not feasible at this time d/t increase in COVID cases. Sarah is receptive to outdoor skills and drills basketball once the weather warms up, if able. There was a donation received this past spring to replace basketball backboards outdoors. Katie offered assistance in the spring to Sarah if needed. Karyn, Theresa thanked Sarah and Brett for their efforts.
- Budget review: Sarah will be presenting the budgets to the Selectboard at 6:45 pm on Monday, Dec 7. Ann encouraged committee members to attend. Karyn unsure if she can attend; Sean unable. Kathryn asked about any budget changes. Sarah reported all lifeguards will need to be recertified and CPR-certified and thus Pool budget increased. Sarah reported that all other budgets decreased.

<b>Agenda item:</b>	Girls on the Run/Heart & Sole	<b>Presenter:</b>	Karyn Hammond

**Discussion:**

Karyn updated the committee that she received an email from GOTR council (Vermont) reporting that the current NH border towns that have been functioning as part of the VT GOTR council (Hinsdale, Winchester) will be part of the NH council going forward. This is due to Vermont COVID-19 state mandates. Karyn reported the NH 5K has traditionally taken place (most recently) in Concord. Regardless of COVID-19, local participation in a regional 5K may decline with that distance. In addition, with no clear end to the present COVID-19 pandemic, the likelihood of GOTR/H&S being able to consistently meet inside (for the beginning of the season, or via a hybrid model of virtual meetings and individual workouts tracked by a shared app, such as utilized by Karyn this past spring) and/or meet for a 5K in the spring is questionable. Karyn will continue to follow up with NH Council, although the status of any upcoming season is very unclear at this time. Karyn hopes to have more information to present to the committee next month, as registration for GOTR/H&S is typically mid-February.
