---------------------	-------------------------	-------------------	--

Discussion: Jill Collins sent Ann Diorio a message at 3:03 today stating: "I just wanted to let you know Matt not be at tonight's meeting - he is going out of town to visit family. We are in the process of receiving replies from summer camp seasonal staff. Letters have gone out to seasonal pool staff. "

- Community Center Report: See attached report
- Seasonal Sports Update: See attached report
- Program Updates:
- **Discussion:**
- Theresa Diorio noted that letters to returning staff should have done out earlier than they did. Some people still have not been contacted. It was noted that staff need to feel valued, we need to hire own students. It builds a sense of community between the staff, the campers and the parents. There was consensus among those present was that the letters need to go out in February, with a return date of March. Then there is enough time to make sure all are hired between March and April. Discussion was held about reviewing goals to correct the inconsistencies.
- S. Leary asked if Bernie could ask that the Walberg grant be shared.
- Review of website looks better we still need to update info

Action items	Person responsible	Deadline	
✓ Bernie to follow up on hiring piece	Bernie Rideout	ASAP	
✓ Bernie to follow up on Walberg Grant	Bernie/ Matt	ASAP
