Discussion:

Review of current fee structure for Rec programs:

- Sports: The Committee agreed to continue with present sports fees including a family cap. The Committee agreed that volunteer coaches can have one child's registration fees waived (per season), and to continue with a \$5 early registration discount. The Program Director and Seasonal Sports director are to determine registration cutoff dates per season.
- Summer camp: to continue with a \$400 family cap. All other rates to continue.
- Pool: Cont with present rates for :
 - Day Pass Child, Adult, Senior, Season Pass.
 - Motion made by Theresa to continue with all present pool rates. Karyn seconded. Passed.
- Community Center: Sarah discussed present deposit rates and referenced recent damage with need for repairs to the Community Center. The Committee discussed raising the deposit fee to \$100 while keeping other fees the same. Agreed upon by the Committee.
- Heritage Park: Kathryn proposed all parties booking the Heritage Park/Pavilion also pay a deposit. Ann raised concerns about the public being able to access these areas and creating a need for cleanup/repair as well. The Program Director will determine if a \$50 deposit is warranted on a case-by-case basis.
