- Seasonal Sports Update: approx 60 kids total, including a few late registrations. Shirts are in and will be distributed this Saturday.
- Any other business to come before the Board: Ann inquired re: 6th grader enrollment given MS Soccer. Sarah reported 6-7 in addition to 8-9 5th graders; no schedule/team conflicts to date.

Agenda item:	Beautification Committee/Farmers' Market	Presenter:	Kathryn Lynch

Discussion:

Kathryn reported that she and Sarah have been meeting to plan Halloween events as alternatives for Trick-or-Treating. She reviewed Trunk or Treat, planned for Saturday Oct 31. This will likely take place along School Street (one-way foot traffic, parking at Heritage Park parking lot), trunks open, three separate items available at each automobile/trunk, spaced for social distancing. Other events include a parade, costume contest, and a home decorating contest. Possible scavenger hunt from home to home. A coloring contest has also been discussed. An outdoor movie is planned for the weekend before Halloween weekend. A scarecrow-making activity is also being discussed- there would be a couple of

nights for residents to pick up the makings for a scarecrow which would then be displayed at the park (also the week before Halloween). Emails will be sent very soon regarding these events.

Ann suggested checking w Sam re: scheduling as the last soccer game may be Oct 31.

Sean reviewed that he can post on the town's Parks and Rec website and Kathryn reported that Jill stated that this will be posted on the Town's primary website page as well.

Kathryn also reported a sign event is ongoing at this time, and a wreath-making event is in the works.

See attached Farmer's Market report.
