Prior to sewer use being authorized, all requirements of the Town of Hinsdale must be met (i.e. zoning and utility requirements).

Approval by the Selectmen for a sewer connection is valid for one year from the date of approval.

Each application is considered on its own merits. The Selectmen reserve the right to deny any application that they determine will jeopardize the efficient and safe operation of the Hinsdale Wastewater Treatment Plant.

The applicant agrees to accept and abide by all provisions of the Town of Hinsdale sewer ordinance and all other pertinent ordinances and regulations present and future.

The applicant agrees to maintain the building sewer at no expense to the Town.

The applicant agrees to contact the Board of Selectmen when the Building sewer is ready for inspection and connection to the public sewer, but before any of the work is covered.

I have read and fully understand the conditions stated above. I hereby agree to abide by those conditions as well as any other pertinent regulations.
